The quote command:

Hello my friend, we've been waiting for you for a long time
We have reason to believe that your soul is just like ours
Did you ever get the feeling you were just a little different?
Well, here's our web page, you've finally found a home

The verse command:

As for me, I am light and joyous! I discover in men dazzling perspectives, with Paradises in the clouds and distant felicities. I pour into their souls the eternal insanities, projects of happiness, plans for the future, dreams of glory, and oaths of love, as well as virtuous resolutions. I drive them on perilous voyages and on mighty enterprises. I have carved with my claws the marvels of architecture. It is I that hung the little bells on the tomb of Porsenna, and surrounded with a wall of Corinthian brass the quays of the Atlantides.

I seek fresh perfumes, larger flowers, pleasures hitherto unknown. If anywhere I find a man whose soul reposes in wisdom, I fall upon him and strangle him.

Sincerely,
